

Don't Put Away Your Bagger Yet! Service It Now So You'll Be Ready To Go In the Spring!

Inspection Special

The best way to be productive for next year is to maintain your bagger now! Take advantage of Knowles Produce Inspection Special. Our technicians will come to you at your convenience! We'll go over a 42 point inspection, and let you know the areas needing additional adjustments or repair on your equipment (small fee of \$100 applies for inspection within 25 miles of Knowles, small additional fee if further away). We'll give you an estimate for repairs and **FREE HAULING** (within 25 mile radius) if you want us to fix the trouble areas for you!
