

# Don't Put Away Your Machinery Yet! Service It Now So You'll Be Ready To Go In the Spring!

## Inspection Special

Inspection Available on ALL Ag. Equipment, Baggers, Large Square Balers, and Tractors

The best way to be productive for next year is to maintain your equipment now! Take advantage of Knowles Produce Inspection Special. Our technicians will come to you at your convenience! We'll go over a checklist and let you know the areas needing additional adjustments or repair on your equipment (small fee of \$100 applies for inspection within 25 miles of Knowles, small additional fee if further away). We'll give you an estimate for repairs and **FREE HAULING** (within 25 mile radius) if you want us to fix the trouble areas for you!

## Winter Service Special
