The Scag Turf Tiger™ **There is no competition.**

Since its introduction in 1998, the **Turf Tiger™** has been in a class by itself. There is no competition. Period.

The Scag Turf Tiger can cover major ground with its productive 12 mph ground speed (29hp and larger models) and large 10 gallon fuel tank. The simple, trouble-free shaft drive cutter deck means minimum maintenance requirements and a wide range of cutting heights. The double tube steel main frame gives the mower incredible strength and durability.

From the heavy-duty, Tri-Plate Velocity Plus™ cutter decks, to the various high-power, fuel efficient engine options, there's a Tiger that will increase your productivity and send your competition running for cover! Contact Knowles Produce and Trading, your local Scag dealer, for a field demonstration today and see for yourself how the Scag Turf Tiger stands in a class by itself, above the competition.

The Scag Cheetah **The Fastest Cat on Earth.**

The Scag Cheetah is the fastest and most comfortable cat in the Scag family. Clocking in at speeds up to 16 mph and featuring a coil-over shock suspension system, the Cheetah is truly a remarkable zero-turn mower.

The Operator Suspension System isolates the entire operator platform via a coil-over shock and provides additional comfort via rubber iso-mounts. This innovative, adjustable system soaks up the bumps and keeps things simple with only three moving parts.

The ZT-5400 transaxles have two-speeds, Low Range (up to 12MPH) and High Range (up to 16MPH). The large 15 gallon fuel capacity (dual tanks) keeps you in the field cutting grass. Fill up in the morning and cut all day long.

From the heavy-duty, Tri-Plate Velocity Plus™ cutter decks, to the various high-power engine options, there's a Cheetah that will increase your productivity and leave your competition in the dust!

Contact KPT, your local Scag dealer, for a field demonstration today. The Cheetah is pure Scag quality with ultra-fast ground speeds, a soft ride and a cut that is "Simply the Best." *The Scag Cheetah equals productivity.*

The Scag Tiger Cat™ Small Cat, Big Productivity.

With roaring power and agile maneuverability, the compact Scag **Tiger Cat**® is a force all its own. Where productivity is essential, the Tiger Cat delivers with ease, capable of handling more than 24 acres per day.

Powerful engines up to 27hp and a tough dual pump and wheel motor drive system ensure dependable performance, year after year. Equipped with a Velocity Plus™ cutter deck, this mower will tame the tallest grass and leave it looking smooth and professionally manicured.

A full-body welded steel frame will not yield to tough terrain, while the low center-of-gravity keeps the Tiger Cat stable. The replaceable front caster extension protects the main frame against impact damage and features tapered roller bearings in the caster yoke pivots for long, dependable life.

Comfort is maximized with either an adjustable suspension seat or a soft-ride seat. Adjustable steering levers, arm rests and a big foot platform reduce operator fatigue.

For big value in a compact package, test out a Tiger Cat today. But be warned. . . this cat has a big bite. Talk to your Scag dealer today to tame your own Tiger Cat.
